

Gently Used Resource Book List

These books have my name on the outside front cover, upper right corner. Unless otherwise noted, pages in the books are clean (not written on).

All books are 50% or more off the retail purchase price. Books are grouped according to subject, not alphabetically.

These books have served me well over the past couple of years and I am selling to make room for...you guessed it...more books!

If you would like to purchase, please send an e-mail to mheaberlin@cox.net and list the book or books you would like. I will update the list as soon as books have been sold. Books are first come, first serve and the date and time of the e-mail will serve as the guide.

I accept PayPal payments to olliemaesgifts@aol.com (my card shop a long time ago) and will ship within 3 days of receiving payment. Shipping on ALL orders, regardless of weight or quantity, is \$3.00. The more you order, the better the deal! Happy shopping!!
